2.6.1 Program outcome

B.A :- Bachelor of Arts gives major scope for various competitive examinations conducted by major competent agencies like; UPSC, KPSC, KEA and other government institutions. Even though there is a marginal scope for job opportunities but students after completion of Bachelor of Arts course would be able to start their own entrepreneurship and also competent enough to get job through various competitive examinations. The Arts Programme B.A is not much in demand now a days because of the decreasing opportunities but in reality there is much scope for certain areas of knowledge like optional English branches and Economics and political Science. Those students who have opted B.A program have more opportunities in central services and also in Teaching profession, therefore B.A is also more beneficial for everyone who opts.

B.Sc:- B.Sc programme is also more help for students who want to pursue their higher studies and want to become scientist in different branches of science. Students Mathematics and physics have greater opportunities for entering teaching profession from primary to Post graduation level courses, therefore there is a greater scope and greater demand in teaching profession for those students who have completed Mathematics and Physics as major subjects. This programme also provides scope for higher education and job opportunities at various levels.

B.Com:- B.Com is the most sought after programme now days. Therefore there is greater demand for this course in our college. The B.Com graduates have more job opportunities in the market due to the introduction of GST and the continuous expansion of business and commerce activities across the world. Looking to the current trends and demands on the job market, this B.Com. programme gives scope for various professional courses i.e., ICWCA, Company Secretariship, Chartered Accountant, LL.B., MBA, PG Diploma in Finance, HRM, etc., Master of Accounting & Finance, etc. This course also gives scope for higher education like; M.Com., MCA, M.Sc. (CS), B.Ed., MSW, Journalism, etc.
