TESTIMONIAL

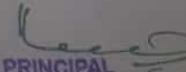

It's my privilege and honor to write this testimonial on successful 10 days Entrepreneurship Development Program for our students of two batches (50 students in each batch) from 04/03/2021 to 13/03/2021. Our students are empowered with various aspects starting from definition of entrepreneurship, importance of teamwork, development of leadership quality and risk tolerance factors.

This program helped our students individually grow towards dynamic entrepreneur who is able to initiate and sustain the economic growth of nation. It motivates our students to become good citizen by providing employability to many people.

This program built the confidence and optimistic, self discipline to open new ideas in their profession. Students acquired the knowledge of SWOT analysis while establishing their projects. They have been trained on identification of opportunities in business, marketing survey and strategy, entrepreneurship management and exposure towards preparation of project report/Business plan to start their enterprise.

In this regard the program helped overall development of an individual student to become successful entrepreneur.

I thank TECSOK team for successfully conduction this program at our institution. I express heartfelt thanks to Professor Mr.Gururaj. M.B. Consultant, for selecting our institution to conduct this program. I also express heartfelt thanks to resource persons of TECSOK for spending their valuable time with our students to improve their knowledge.
