Chandrayana 3

S J M College by the directions of UGC organized a virtual screening of Chandrayana 3 Landing to staff and students in ICT Lab, on 23 August at 18:03 PM. It is a Land mark achievement in the History of Space science as making India the fourth country to successfully land on the Moon, and the first to do so near the South Pole. The main mission objective of ISRO is Engineering and implementing a Lander to land safely and softly on the surface of the Moon, Observing and demonstrating the rover's driving capabilities on the Moon and Conducting and observing experiments on the materials available on the lunar surface to better understand the composition of the Moon. Our Honorable Prime Minister Sri Narendra Modi witness the occasion through virtual platform and Congratulated Team ISRO for their effort in making Chandrayana 3 a grand success
