Report

S.J.M. College of Arts, Science and Commerce, Chandravalli, Chitradurga, organized Job fare program was organized in collaboration with ICICI Bank Bangalore Dated 24-05-2023.

The Principal of the College Dr. K.C. Presiding over Ramesh Sir, speaking, present is a competitive age where skill is essential along with degree. Only those who acquire skills get jobs. So today everyone called upon the students to develop skills.

Naturally, the big question after graduation is what's next. The main objective of placement cell in our college is to provide suitable training to the students. Providing information about employment. Organizing a job fair. To guide you on the path of employment and successful career. He said that the placement cell is working hard to facilitate the connection of students with industry or different companies.

As per Swami Vivekananda's words, "Get up, don't stop till you reach your goal" students have to study deeply till they reach their goal. It is not difficult to reach the pinnacle of achievement if students have perseverance rather than strength. A student should have positive feeling in life. Only then can anything be achieved. He said that if we have willpower, if we have spirit, if we have self-confidence, it will help us to achieve our goals.

Nabisaba Agasimani, the chief guest who inaugurated the program, said that the problem of unemployment is increasing these days and getting a job is a challenge. So students are called to participate in such job fairs.

Another guest Premakumar interacted with the students and gave motivational words to the students.

More than 75 students participated in the program.

College Placement Cell Coordinator Prof. T. Rajput welcomed and made introductory remarks. Head of Department of Sociology Prof. S.B. Sivakumar congratulated. Kum. Leela narrated. The teaching and non-teaching faculties of the college participated.
