

SJM Vidyapeetha(R.) Chitradurga

Organised

**One-Day Workshop
On
CardioPulmonary Resuscitation**

Report

On 25-9 -2021 our Management i.e SJM Vidyapeetha had organised one day workshop and training on CPR Cardio Pulmonary Resuscitation in association with "Crypto Relief Heart and Stroke Foundation " on occasion of Sharana Samskruti Utsava. On this auspicious occasion our principal along with all the staff members attended the workshop and attended the training on CPR the workshop was inaugurated by his Holiness Dr. Shivamurthy Murugha Sharanaru. The Doctors and supporting staff team lead these sessions highlighting the importance of CPR as a life saving measure for the victims of cardiac arrest, its scope and its limitations. This was followed by the demonstration of step of adult CPR ,Child CPR and Infant CPR including the the management of checking in the case of adults children and infants.

The staff attended the workshop and the same team visited our college and students were also trained on CPR.

The main objectives of the workshop is to make students ,faculty members AMD staff members into empowered individuals with the fundamental life saving knowledge and skills of CPR and bleeding management needed to save lives.
