Report on Cyber Crime and Drug Abuse Prevention

Date :12-06-2023

The fourth event of the day is started with a lecture by Shri Kariyanna, Asst. Police Inspector CEN police station Chitradurga about cyber crime and drug abuse. He said Cybercrime has emerged as pervasive and evolved as one of the most dangerous threats to humans. There are several users on the internet who indulge in illegal and criminal activities, using computers and networks. To guide you through this hot debate topic, below we have discussed essays on cybercrime.
